The Guernsey Lily

Once upon a time in Guernsey the fairy king was sleeping under a hedgerow near Vazon Bay, and when he opened his eyes he saw a young Guernsey lady named Michelle de Garis.

He immediately fell in love with the beautiful girl. And she fell in love with him.

They were to be married and live in the far away fairy kingdom together.

But Michelle was worried that her mother would miss her very much and wonder if she was ok.

So the fairy king made Michelle a special plant bulb which they planted at Vazon Bay.

The fairy king then whispered in the ear of Michelle's mother and told her to go Vazon so that she could find their present.

Michelle's mother, who was sad from missing her daughter, walked up and down Vazon Bay.

When Michelle's mother found the plant bulb it grew and grew and burst into a beautiful flower.

It was a beautiful scarlet flower, just like her daughter's favourite clothing, and sprinkled with fairy gold. We call this flower a Guernsey lily.
